

METRO CITY

$$\text{COMPLETED} + \text{TRANSFERS} - \text{EMPTY} = \text{TOTAL}$$

### Transit Card Actions

**Number**

Cross off adjacent Station spaces equal to the number on the card, or until you can go no further (reach a route's End Point, encounter a previously crossed off Station).

**Skip**

Same rule as Number cards, but you may skip over previously crossed off Stations.

**Transfer**

Write a number in a route's first empty Station space equal to twice (2x) the number of train lines that stop there.

**Free**

Cross off any one empty Station space. Do not fill in a Train Car Window.
